Joyce was such a great friend to me over our shared years at Hackley Radiology and beyond. We had so many laughs and yes, some tears, too, that I will cherish forever. She loved her son, daughter-in-law, and her two grandsons so much, and was always so supportive and caring with so many of her work buddies and their children, too. My friend and confidant, Joyce, I have so many great memories of you! Sending my prayers, love, and condolences to your family.

I'm sorry cousin. I hope you had a good life. Your dad was a king in my eyes. Where can I send a memorial contribution for the grandkids?

So many good memories and fun we had with your Mom at Hackley. I enjoyed seeing Tim and Corey grow up when Kathy would stop in. I did see Joyce about a month ago at the Lakes. She and Sue stopped in to say Hi. I really enjoyed the "Move that Bus moment" That will be a cherished memory. Praying for peace and comfort for your family. Michelle Carlson ( mamm tech)
