I was fortunate to know Larry, even if only for a short time. He was a fun guy to be around and had an awesome sense of humor. In the time I knew him we enjoyed listening to music and joking around. My sympathies go out to the family. He will always be remembered and missed. Bobby

I feel so blessed to have known Larry. From the moment he moved into the Amanda Home I felt an instant connection. He was so full of laughter and happiness you couldn't help but catch it. No matter what kind of day I was having the instant I saw him smiling and waving through the window, sitting in his "man chair" all of my stresses melted away. I will always treasure the time he told me that he and I were "getting married tomorrow." I then found out that he had 17 other wives...along with 15 girlfriends. He sure was a lady's man :) Right when I started working at the Amanda Home it felt like I had won the Lottery and then Larry moved in and I knew I hit it big. I know I am a better person having known him. He will be forever loved and missed. Love, Kappy

I've known Larry a long time. When he would come in with his Mom to Christines beauty shop, he was always joking and had such a great personality, he will be dearly missed. Phyllis, Abbie and family I'm so sorry for your loss. Gloria Sikkenga

In May 2012 we had the privilege of meeting Larry for the first time. His personality and humor assured us we were going to be great friends. He moved into The Amanda Home and we are all better people getting to care for him and share life experiences with him. He taught us how to polka dance and laugh at the silly things in life. We quickly learned he was the boss at our place as we were all fired at one time or another. He is most definitely missed by us all. Until we meet again Dear friend Larry. With love, His family at The Amanda Home
