**Joan Leder** lit a candle in honor of Wanda.

The last time I saw Wanda, she was in Oakcrest and some of the bridge club went to lunch. She had a difficult time with the menu and her check. That was many years ago. I laud your family for taking such good care of her all these years. I am happy she is finally at peace. It is a wonderful consolation that you did all you could to make her life comfortable these last years. We had a lot of fun playing bridge together and eating her wonderful strawberry pie everytime she entertained. She was a lovely and fun person. My sympathy to all of her family. With fond memories - Joan Leder

Everywhere Wanda was, there was laughter and fun not far behind. Her positive attitude always brought smiles to those around her. I have many fond memories of Wanda and Bill that I will cherish for a lifetime... boating (fishing), golfing, snowmobiling, shopping, strawberry shortcake in Florida, and always wondering how Wanda and all the Marzolf sisters could possibly eat as much as they did. The list goes on and on as does my love and admiration for my great aunt Wanda. You will be missed, but never forgotten. Jill Eggebrecht
