WOW... I worked with John for over ten years....Not only was a he a caring and loving man to his friends, but first and foremost was his grandchildren and children. I usually seen him once a week or so, and he always had recent photos of his grandchildren, he was so proud of them, his grandchildren and great grandchildren. In the short time I knew John he thought the world of my daughter and I, and we thought the world him.. Not only did he have unconditional love for his family but did he care for his deep friends and their family. Rest in Peace John W, Baldiwn, but may your family find comfort in the Lord and knowing that your soul has been rested in a better place. Thank You Father For Sharing John with us for so many precious years. Jeannah Taylor/Guthrie (Friend)
