I am sorry for your loss. One of the first people I met as a nursing student at Muskegon Osteopathic Hospital was Mrs. Diller. She was a wonderful nurse and she was in charge! She gave me one of the best pieces of advice in my career, in fact it is advice I still share with new associates at Mercy Health Partners. On a very busy day when I didn't think I had time to take my morning break she said, "Get out of her and take your break! This is when you need it the most!" Words to live by. Lynn McMaster

It has been a honor and pleasure to share a friendship with Joyce and her husband, Wayne. I will miss her friendship. Joyce's gruff voice tended to hide the kindness in her heart. Grateful that she let me bust passed that rough exterior. I will miss her.My deepest sympathy to all her family.Sincerely,LuAnne Sloop
