Too many memories to post...Grandma, I want to say Thank You for always loving & supporting us..You were an amazing woman, I pray GOD will shape me into the woman you were! You never judged us, you were always waiting with open arms to love & guide us in the right direction, to pick us up if we fell & to push us to get back up & try harder...Words can't begin to express the pain and emptiness we're all feeling, please continue to watch over us...I Love You!
