Dear King Family and Friends,I am so sorry to hear of the loss of your dear loved one. Please accept my sincere condolences. I too have lost several loved ones in death, and the pain is tremendous, even with the passage of time. Thankfully, I have found relief in knowing that "The Most High God" is the "Hearer of Prayer", and a source of tremendous comfort in times of grief and distress according to Psalms 83:18,and Psalms 65:2. Please be assured , death will soon be "swallowed up forever" and we will have the opportunity to see our dead loved ones again, as promised at John 5:28.29 and Isaiah 25:8. My family and I wish you and yours peace.

Our families grew up together out on Dangl Road. John was the oldest of all the kids and a leader for all of us. He was much more mature than I was and had many answers to our life questions. I lost track of all the neighborhood gang when I moved away after finishing school. But, I have great respect and many warm memories of growing up with John. He certainly was a great man and I am sure he will be missed. My condolences and best wishes for all his family. Linda and Barb and Fred please remember the good times and take care! May John rest in peace.Terry Tarte

Papa was the best man I have ever met in my life. He was the greatest teacher, guardian, and dad we could have ever had. He has done everything for us throughout our whole lives and he will be forever missed and loved my many people, and all of his girls and his grandson. Now papa will be our guardian angel forever and will forever continue to watch over us from heaven. Rest in Peace Papa, We love you.

Renee and family, I am so sorry to hear about your dad's passing. John truly was loved by everyone's lives he touched. He always had a kind word for everyone he came in contact with. Cherish the memories that he gave you girls and remember he will always be with you in spirit. May God comfort you during your difficult time. Many hugs. Cindy Haan (Fowler).
