We will miss Dad McGreevy sooooo much! We both loved him so! So many good memories with Dad --- he has been "my Dad" for over 52 years. What a gentle, kind, loving Dad he was. He always would take time to talk and listen. He loved it when friends and family would come over. You didn't have to call and say can I come....just come! No "Ann Landers rules ...call before you come" for him! He was a family person for sure! Bob and I tried to come home from AZ every year to spend Christmas with Mom and Dad McGreevy at our son Chris & Amy's home. They both cried when they thought it would be our last Christmas morning at our house in G.H. when we said we were moving to AZ. We cried too...so wanted to keep the family together as long as we could on Christmas for sure! When Dad could still see well....he wrote many emails to us.....which I put in my Dad Mc file and will save forever! Here is one of them: "Obama, gloom despair and agony. Heaven help us. Obama couldn't even pass an FBI security check to be a presidential gaurd and now he will be president. When I was born my Mother put a tag on Robert Mc Greevy, REPUBLICAN. Love, Dad" We are hurting for the rest of the family back in Michigan. May God put HIS arms around each and every one of you. Especially Bobbi and Sandy! Keep your memories of Dad forever in your minds and hearts. He is with God & Mom McGreevy now. Mom and Dad are hugging & smiling together now ...both in PERFECT HEALTH! In HIS love, Joan and Bob Hart

I have fond memories of uncle bob. I'd watch him paint ducks and the marshland, on the river in spring lake. I think of aunt evelyn and uncle bob all the time. (chuck castle aka douglas allen glenn)
