I agree. Shirley was a wonderful person. I am so thankful that I was able to know her. She was always a kind and loving person. She was always smiling and always was thinking of helping other people. She truly loved the lord. My sympathies go out to her family. She is not in the presence of the Lord.

Kellie and I agree that Shirley was probably the nicest person we have ever had the pleasure to have known.. She truly loved the little children and we enjoyed watching her interact with them through the various ministries. What a joy! She will be missed in a thousand ways.

Shirley Munding was such a blessing to me personally as an encourager and faithful prayer supporter! Just this past summer, she invited a team from our ministry to come and present the gospel at an event, which we did. After the event, she called and left such a great message on the machine expressing how grateful she was for the time spent in serving people that I left it on the machine to listen to for inspiration later. Encouragers like her are precious and few and far between. What a beautiful thing it is to see a woman who finds her joy in serving Jesus!As far as the ministry of Child Evangelism Fellowship is concerned, Shirley has been a great friend for years (a long time before I came on staff in 2000). One way that she has had a big part in reaching children with the gospel was by bringing back hundreds of tiny little Wordless Book tracts from Florida each spring when she returned...over the years those tracts have been sent home in the hands of thousands of children all across our county!Karen Dear - Ministry Director, Child Evangelism Fellowship of Muskegon County

Shirley and her husband Carl were the real deal. They were people that I consider hero's in my life. The Mundingers had a reputation that was flawless and they have had a huge impact on my life and I love them both.
