Dannie was such a special woman! I will forever cherish the memories I have of her & hold them within my heart! From watching wheel of fortune with her to talking about our favorite books, I always enjoyed spending time with her! Growing up, she was way more than the neighbor across the street, she was my family! Dannie touched my life & I am grateful to have known her! I take great comfort in knowing that she is now in the company of her dear husband! Rest now Dannie, until we meet again!
