I had the good fortune to become great friends with her son Matt, while he was living here in Moscow. Alas, I never had the opportunity to meet the wonderful woman herself. A woman, who clearly touched many lives in a kind and caring manner. An inspiration to us all!My sincerest sympathy, Paul O'Connor

Today's service was so beautiful and I am so glad I was there to share in the celebration of her life. It was so wonderful to hear all of the kind words and special memories that were shared. It is evident that Grandma Sue meant a lot to a lot of people. She will always have a special place in my heart and I feel very lucky to have known her. Although she will be missed by so many here I am glad to know she is now in heaven and at peace:) May God be with the Bohland family at this time.

To the Bohland family,My Aunt Sue was one of the nicest people that I ever knew. Muskegon in the summer was a second home to me. And I loved to celebrate Christmas at Grandma Mabel's and the Bohland home. I don't believe I ever heard Aunt Sue complain about anything. She was a kind Aunt and always made me feel welcome; especially when I would deliberately not go back to Grand Rapids after my parents came to pick me up. She loved all her children and I can remember her getting very nervous when she would hear sirens at Pere Marquette Park. She would at times share her faith in the Lord Jesus Christ with me. I look forward to catching up on old times when I meet her in heaven.Time, like an ever rolling stream,Bears all its sons away;They fly, forgotten, as a dreamDies at the opening day.Our God, our help in ages past,Our hope for years to come,Be Thou our guard while life shall last,And our eternal home.Isaac Watts

What a beautiful picture of Aunt Sue! So many wonderful memories about hanging out with all of you especially during the summer months while visiting dad. Aunt Sue's house was the place to be. I remember her great laugh. Dad was so funny cracking jokes and Aunt Sue would just laugh. We missed all of you so much when we moved to Boise, Idaho.

I am very sorry for your terrible loss. FOR YEARS, Steve has told me stories of his summer days with you kids, running and playing around Blufton. He loved your mom and all of you. We are so very saddened that she has left you, and only God knows and understands His timing; we thought she was rebounding and going to be around for much longer. We were praying with you for her strength. Although we hate the process, we know she is safe in the harbor of heaven. Personally, I knew your mom as a sweet spirited lady with a quiet confidence. She was so warm and welcoming toward me; always ready with her smile and an offer of something to eat or drink. She was a very, very nice aunt to me, too. We love you all and will continue to keep you in our prayers as you go through this time of grief. Hang on. Love and hugs, Robyn Bloem

me and her bonded by hanging out together when everyone was busy with their stuff. I sat at that couch and listened to wisdoms she offered me. I was surprised she took liking of me, and I'm sure she was too. we shared memories of our past. she told stories, pictures, what it was like in her younger days. my fondest memory was when we watched Grandmas Boy, it was an excuse to hang out. she was as cool as the grandma in the movies, just like that. she laughed at the funny parts and I knew then she was a cool grandma. I really miss her. rest in peace grandma
