I am truly sorry for your loss. Death and sickness are enemies, causing much pain and sorrow to loved ones. It is my hope that this family is able to find comfort from the bible's message of hope. Soon sickness will be no more! (Isaiah 33:24; John 5:28, 29; Revelation 21:3-5)

Patti and I were merely classmates from high school but her smile brightened the day many times during our years as members of the same class at Fremont High School. Her presence was undeniably special.

We will always remember Patti as a very upbeat and positive young lady. Her pride in caring for family seem to radiate every time we talked with her. The sparkle in her eyes were overwhelming when she spoke of Ellie and Ben. Her grateful attitude for Bryan being in her life, likewise shined as she spoke and lived. Our thoughts and prayers will be with all of Patti's family.
