I remember a big family get together that we had when I was very young (maybe 3?). I can't remember where we were but I still have the picture of all of the kids together and I can remember thinking of how special it was to get my picture with the "big kids" and I remember thinking Toni was the coolest cousin ever. I miss you guys so much. Love and prayers to you all.

I will miss Tony. He was always a free-spirited character. We had some fun times growing up. I'll always remember our last conversation. R.I.P. Tony. God has his arms around you now.
