Steph, Jeff and the entire extended family -We were shocked and saddened by the news about little Brecken. This unimaginable tragedy for a life that was just to begin has robbed all of us of the chance to know this young angel. We share your grief and we pray that somehow your faith, family and many friends will get you through this. Please know that there are many people thinking about you every minute of every day. We can all honor his memory by thinking of him often and looking forward to the day when we will see him again - for surely he waits for us in Heaven. John and Gail MacArthur - Mount Clemens, MI

So sorry for your loss. Having recently gone through a similar thing, I can empathize with the grief you are going through right now. While nothing can fully take the pain away, I found great comfort in the support of family and friends. Take the time you need to grieve and don't be afraid to reach out to others. Allow family and friends to help carry you through this difficult time.

Stef, Jeff and family, kind words can never take away your pain and grief. Know that while Brecken is not with you physically, he will always be by your side, in your hearts and always smiling down on you from Heaven. Know that he is in heaven with our Lord and well taken care of. Connie Sohasky
