Annette's Family, I'm so sorry to hear about Annette's passing. We went to school together and my most fondest memory of her was the night we were in Meijer, as high school students, riding on the shopping carts up and down the aisles! Now I'm working at Meijer and we would stop and say hello every time we saw one another and remind each other of those times. My thoughts and prayers are with you.

Annette and I attended "My" First Rock Concert in the 8th Grade Together. Paul Reevier and The Raiders (L.O.L.) Every concert I've gone to since, I think about Annette and how much We tried Over Screaming Each Other at that show. It Was So Fun...as was She. She is missed as Heaven has received a Special Angel. God Bless Her Family...Love from Pam Walker-Wieten...

I am truly sorry for your loss. Death is an enemy, causing much pain and sorry to loved ones. It is my hope that this family is able to find comfort from the bible's message of hope. (John 5:28, 29; Revelation 21:3-5)

Annette, I tried unsuccessfully to contact you a year or two ago. The timing suggests you must have been fighting the illness that you eventually succumbed to. We lost touch when you started having your family and I later moved to Alaska. We were best friends in high school and before. We shared so many adventures together, almost but not quite getting into trouble. I remember a time we were chewed out in art class for being behind. After school we discovered the door to the art room was left open. We decided to sneak in and finish our projects. I will never forget the shock on the art teacher's face when she saw we were magically finished the next day! My thoughts are with your family. Mrs. Bob (Lori) (Arnold) Noble & family

Lori, I too lost track of where Annette was and always wondered how She was doing. I share your sadness. Love from Pam Walker-Wieten

Very saddened by the loss of a great person. Annette was the funniest and craziest person I have ever known. Her random and outrageous behavior was the best. There was never a dull moment when she was near. Annette seemed to make the best out of any situation. She will be dearly missed.

So sorry to hear of Annette's passing. I did playground duty with Annette. Her love for the kids was obvious. She knew them well and was a loving solid force at Jeffers. She was a bright light. She will be missed. - Mary Thorsen
