Aunt Jackie, Where do I begin? Always welcomed me with a smile on some of the darkest days! Always made sure I had a full belly when I left her house, and ALWAYS made sure a warm hug was given before departure too! To a great lady who inspired many and loved dearly! You shall be deeply missed but never forgotten! Love you!

Uncle DickRick, Garry, Steve and Brendal wish to share a poem with you about my tribute to your wife and mother  
When I was hopeless you were there  
You picked me up, you showed me care.  
Without the love you had for me  
God only knows where I would be.  
To me you were a breath of air  
A person I drew wisdom from,  
In my corner of every fear  
You always cared that things were right.  
I won't forget the things you've done  
I couldn't let you leave without thanking you.  
Love to you all  
Debbie  
Your mother was a wonderful and kind, most giving woman I knew.  
Thank you for sharing her all this time.  
Remember all the memories and best of times when family joins together.

What to say, there are no words that can be said, nothing can take away the pain, nothing can fill the void that has been left. Aunt Jackie was a great lady, she was kind, sweet, loving, she had a great teacher, her Mom. She is now at peace and able to spend time again with her family that went ahead of her. They are all waiting for us to join them one day. That is one of the only things that is comforting, to know that I will see her again. I have so many memories, they were made over short trips back to Mich on summer vac. I always felt safe, welcomed, loved when I was with Aunt Jackie. And lets not forget her sweet treats... YUMMM. Steve, Uncle Dick, Brenda, Rick and Gary, I'm so sorry for the pain you are have right now, it will get better, but it never goes away. Denise Yancer ( Barb's daughter)

I remember perfectly well, the first time that I met you. Rick brought me in to the living/dining room which was FULL of people! It was then that I became aware of your gift of hospitality! You loved people and you loved making people happy. We didn't always see eye to eye when it came to our children but, since I have become a grandma myself I totally get it! You loved your grandchildren so much that you would do anything for them. Your sacrificial love was evident in all that you did for your children, your children's significant others, grandchildren, great grandchildren and friends. You have blessed me in so many ways and have taught me by your example, of UNCONDITIONAL love. I love being apart of your family! You have been my mom for 36 years and even though I will always miss you, I would never ask you back as, I know you are walking with Jesus, at peace and with no pain. 2 Timothy 4: 7-8 YOU " have fought the good fight", YOU " have finished the race", YOU "have kept the faith. Now there is in store for" YOU "the crown of righteousness, which the Lord, the righteous Judge, will award to" YOU "on that day"—I LOVE YOU MOM AND WILL LOOK FORWARD TO SEEING YOU AGAIN IN GLORY! Love, Robin

I met Jackie and Dick through my friendship with Steve and Brenda. Jackie had a good sense of humor and you could tell she enjoyed entertaining friends and family. She would always have good food to eat. She had a real touch with the arts and crafts and I have several very nice things she has made me, a beautiful knitted quilt and a Christmas tree made out of crystals and safety pins which I enjoy every year. Jackie had a big heart. When my own mother passed away I was invited to come over on Christmas Eve for their family celebration. I was hesitant to intrude on someone else's family gathering, however Jackie soon showed me the light, calling me and telling me in a no nonsense manner that I was coming over. I enjoyed many Christmas Eve celebrations with the Ferris family. I was always made to feel welcome and at home. I am really happy that I was a small part of Jackie's life, will miss her and her kindness toward me. John Phelps
