Myra was a sweet heart. She was also a very giving person. She made crafts and crocheted doilies for everyone at the church that wanted one! She didn't waste any time making them. And I appreciated it so much when she took the time to show me how to make doilies. I would come to work early and we would sit together and she would show me how to read patterns and all the different stitches. I have a few that she made me that decorate my home and I will always remember her when I look at them.. The Senior Center at Fellowship will miss her very much. She liked to laugh and was silly at times. I gave her a bible to read and over the next year we spent time discussing the stories in it. She read the entire bible. She enjoyed talking about God's word and now she can talk with him face to face. God Bless you, Myra! Ann Marie Schulz

I grew up 2 doors away from Nicolle, Jim and Carla. I have a lot of great memories from those days. Their mom was the cool mom. She was not overly strict and allowed us all to be kids. She also gave me great advice just last year which I am now taking to heart. She was a wonderful mom and grandmother and a great person all around. So sweet. She will definitely be missed!

My mother was such a joker, I was about 10 or 11 years old my sister Nikki was 13 or 14 and we had just moved into a new house. The wallpaper by the kitchen had fruit on it. Mom told us that if we licked the wallpaper it would taste like the wallpaper on Wille Wonka and the chocolate. So guess what, we believed her and licked it, but can you guess who licked the fruity wallpaper first ?  
..... LOL.
