Connie Lafrance lit a candle in honor of Sandra.

To Lauri and To the rest of Sandy's loved ones. You have my Deepest Sympathy in the passing of our Friend and Your beloved family member. Sandy was a friend to many in Muskegon, especially many from the Old Homestead where I met Sandy. She was always a ray of sunshine on even dark days. She loved people. She loved to give you a hug. The last time I saw her was at McDonalds drive up window and she said she wished she was close enough to reach out and hug me. I will always remember her friendship and her kindness to all. Lauri, Love and Hugs to you at this most difficult time in your life. Even though I have not seen you in a while, I always looked forward to seeing you at the Old Homestead when you flew in to Muskegon. She is at peace now. Love and Sympathy Connie LaFrance
