Prays and hugs to all of you. Your Mom is very special to me. I remember her first birthday party it was at Mona lake park. She was afraid of train noise when she was little so I used to take her to the bedroom and I put my hands over her ears and held her till the train went by. She is loved by all. Love your Aunt Jean Anderson

I am so sorry for your loss, it is never easy to say good bye to some one as special as a Mom. But remember you will be together again in a world with no pain. On till then she will visit you in your dreams and she will always be in your heart. May God hold you tight in his arms and comfort you till you met again.
