One day, quite a few years back, I was told at work to see someone at the main door entrance. I thought it was a delivery or pick-up. As I got closer I thought, "Hmm that looks like Uncle Bob". But I was still thinking it was a driver. When I got to him I knew it was Uncle Bob. I was excited. We hugged and he took me to the car where Aunt Dorthy was...it was a wonderful surprise visit I will always remember. Love you all. My prayers and deepest sympathies go to you all with your loss. He was a wonderful man and left me with good memories.
