Jim, Darlene, Kim and Jeff, my sympathies to all of you in your time of loss. I have so so many fond memories of growing up with the Wood family. We were the generation that played outside until called for lunch and dinner. What a wonderful childhood, from playing capture the flag, pee wee football, baseball, with like 20 neighborhood kids of all ages, board games at your home (London bridges) still my favorite and could never find the same version.... I could keep going. Jim was very successful in life both work and family and accomplished much in the time here. That doesn't help though as he still left too soon. God Bless to all of you. Hope to stop by today. Jeanette Anderson(Nauman)
