To all of the Jensen Families; Paul and I are so sorry for your loss. Losing our own father two weeks earlier made the sadness we felt for your family even more as Aboona Larry had to do two funerals one for his Mother and the other for his good friend and "family" here so difficult we were worried for him. God bless you all as we ALL take the time to mend our hearts for those we have lost. Prayers and blessings to you all.

Dear Abouna Larry and to all of the Jensen family: With sadness and much joy on the loss of your beautiful mother I offer you my sympathy and my prayers. It does not matter our age or our mother's age, when they leave us to be with our Lord we feel their loss even more. What a blessing to have her for 91 years. She certainly leaves quite a legacy behind and for that I know that God will reward her abundantly. Her faithfulness to God, her family, and her Church is the legacy she gives to you. I will offer Divine Liturgy for her soul as well as for each of you. May God welcome her home and may her soul rest in peace. Fr. Vincent Farhat
