Our deepest sympathy to the dear family of DENNY. He was one of my brother's friends, we laughed and cried together about all of memories. DENNY was always very caring, generous, always a very special friend and classmate. He will always be in your hearts and cherish all of your memories. You will be in my heart and prayers. My church family will be in their prayers too. Denny and Don Brezinski (my brother) will be in heaven together forever. So sorry that I will not be able to attend his funeral. May our LORD give you all of the courage, peace, and most of HIS LOVE! Judy (Brezinski) French--MHS class of 1962.

I am so sadden to hear of Denny's passing. I have known Denny most of my life. Denny and my mom, Pat Aker worked together from the time Denny started at the old Continental for about 20 years. They remained friends until her recent passing. When ever I would "run" into him, he always give me a hug like I was his best friend. He was genuinely one of the nicest guys I knew.
