Tom was a great friend back in the E.O.L.C days. His homemade wine and always had a smile even when we said he looked like shaggy of The Mystery Machine (aka) Scooby-Doo. I was deeply shocked by his passing had to find out by internet. THE world loss another one!!! My condolences to the entire Falbe family.

We got to know Tom for one and a half summers up north. He was our next door neighbor and always had a tool or and idea to help us out. He shared his jams and ice cream sandwiches! Had a great meal together with the two Toms at the end of the season. So glad we got to see him and talk a bit before he left this world. He was a good man!

So sorry for your loss, my family and I have known Tom ever since I was very young,he always made us laugh at all the silly little things he would do. Especially when we would go to Mama Grenadas in the middle of the night just because we could. We were unaware of his passing or we surely would have been there to say our good buys. We will miss him dearly. Friends like Tom are very few and in between. May God help to heal your broken hearts. Sincerely Beverly (Conaway) Richards. Tom has been our friend and neighbor up north for quite a while. He always had funny stories to share, brought veggies over from his garden, looked out for his neighbors and had the most colorful fire to share. Tom will be greatly missed by all, and going up north won't be the same. Love and prayers during this time of loss. Kevin & Katie Shuck Rick & Heidi Brouwer Jason & Emily Ras

I forgot to mention the summer these 2 stone birds were passed around as a joke; not sure where they came from, but if they wound up on your property it was your job to sneak it over to another neighbors property. Tom took those birds, repainted them, and set them out front by his place during the summer :)

Falbe Family -Our thoughts and prayers are with you all during this difficult time. When I spoke to Steve yesterday, I told him I don't remember a day in my life that Tom and Steve have not been a part of it. I will always remember Tom would pick our grapes and make grape wine and stop over and share with my mother. He was caring and kind and he will be sadly missed. I'm out of town this week, but please know I'm there in spirit and sending you all the best during this difficult time. God Bless you Tom and until we meet again my friend Peace. Randy Crow family
