My thoughts and prayers go out to Dave's family. Dave's laughter and smile was always genuine. I enjoyed working on the same underwriting team with Dave at Hastings Mutual. However, there were always comments about the swim team that he was so proud of supporting. It was the #1 team in his book. Linda Weyerman, Hastings

We are so sorry for your loss. When Dave and I worked together we use to joke about the fact that we spent more time together than we did with our own families. When you spend that much time together you spend a lot of time talking, this is how I know how much he truly loved Barb and his children. He will be missed greatly, I'm proud to say he was my best friend. Mark and Sandy Smith
