Your mother was my next door neighbor since I was really really young. I am Carolyn Van Dyke Windemuller. She was such a sweet lady , always friendly to me and my brother Roger. When my parents moved from Grand Haven , and later from Spring Lake we stopped in to say goodbye to her. That was in 2014. She was still the same lovely lady that I remember. She was always so stylish too ! I think she once told me that her daughter-in-law would help her pick out clothes. My parents both died in 2014 exactly 4 months apart from each other. They always loved having your family as their next door neighbors. Sincerely,Carolyn Windemuller

I often remember the times Katherine and I shared counting and depositing the "Bingo Money" when I was on the Financial Council at St. Patrick's. She was a special lady and my sympathy to her family.

Hank, Rich and Family,So disappointed not to be able to be there tomorrow with all of you. Unfortunately we had already scheduled and planned to be in Florida visiting my mother this weekend. My visit with Aunt Katherine last summer was so memorable for me as I was able to have a very fun and entertaining discussion with her about so many things. That and the pictures I have with her from that time will give me so many fond memories of the times spent with her and of course your Dad. I can not tell you enough how much I cherish those memories. Condolences to all but know she is in a better place. I will miss her smile and laugh.John and Martha Przysucha

I joined Katherine's bible study a few years ago and she was a wonderful, Catholic, lady and we all enjoyed being with her and even some Russ' lunches afterwards. I didn't know she and Annette were sisters but I worked with Annette at NOCH back in the 70s. It was a pleasure to know these two women. As Fr. Bill says, this world would not have been the same without them. Rosa Bice.

Aunt Katherine was such a lovely woman in every way. Always caring, always calm, always welcoming and always smiling. Our loss is definitely a huge gain for Heaven - probably why the sun has been shining so brightly.

What a privilege to have Known Katherine all these years. My Grandfather Arthur Reenders built the house on Park Street that she lived in for over fifty years. I was born across Park Street from Katherine and spent my early years visiting, having cookies and milk, and feeling special in her presence. My children grew up down the street and also enjoyed more of the same special memories of cookies, milk, and conversation with Katherine. In 2009 it was my privilege to help her choose her apt at Grand Pines, where my staff has felt lucky to provide comfort and care to such a wonderful lady the past five and a half years. She was always so content, happy, and grateful for everything that was done for her. Last year on her 100th birthday we had so much fun tooling around town in my Dad's 1927 LaSalle. She hoped right in and we made our way through town, to the beach, and out for ice cream. Thank you Swiftney Family for your trust in allowing my great staff at Grand Pines to help make her feel comfortable and safe in her final years. She will be missed by many here, but we are happy for her that she is with so many loved ones who went before her!

Dear Swiftney family, please except my sincerest condolences on the passing of your dear, sweet mother, grandmother, great grandmother and aunt. I was so very privileged to have been able to get to know her and care for her in her early days at Grand Pines. I'll always remember that beautiful smile, perfect etiquette, and the love she showed to everyone she met. And, oh how she loved her family! And her Church. And her God. I recently visited with her on several occasions. She expressed her deep desire to return to her Savior. I am so very happy for her that she has at last! My dear friend Katherine, save a place for me! Can't wait until we can spend eternity together! Enjoy your eternal rest!
