I remember when grandpa would pick me up from school on days I was sick and he would go in to the office to get me and as we was walking out he would always ask me if I was really sick or did I just want to skip school lol he use to tell me I will rake you to get you some medicine if you need it but if your just skipping school you better act sick when your parents get homeAnd then the time he brought me winter coat shopping and he told me to pick out whatever bc I needed to be warm I wore that coat for years because he bought it for mel can't believe he is gone so soon even though I didn't see him much bc it was to hard to see him like that I still thought of him everyday and will continue to forever he was my mom's dad by choice and she was lucky because she got to pick her dad and a lot of dad's are not the best but I'm glad she picked him bc I loved having him ass my grandpa
