What an amazing person, life, family, and testimony of faith, strength, and love. So proud to say she was once my dear friend. My loss and deepest regret that we drifted apart. We reconnected via email and FB and I have followed her blog and postings ever since. What an extraordinary love story. We are all blessed to have known her - in ways great and small. Mark, children, extended family and dear friends - take comfort in your memories of a beautiful life. Sent with gratitude that she touched my life - Cheryl Howe Stormzand

You are ever a part of our lives...all the good you have shared will live on in our hearts...I was remembering how Rosemary would ask: "what else will ALS take from me?" But I'm reminded of the things it couldn't take: your beautiful smile...your compassionate disposition...the piercing gaze of your loving eyes...your persevering faith...your humble gratitude...the "ultimate healing" that God has granted you on the very day that His mother Mary is honored as the "Queen of Heaven and Earth"!! Thank you for the privilege to know you and to walk a small part of this journey of faith with you!!! You have touched us deeply and we have grown in the knowledge and love of Our Lord and Savior Jesus Christ through your faithful witness. Rest in peace until we meet you again "on the other side."
