Grandma you will always have a great place in my heart. I have so many great memories. The summer were great in grand haven. We went swimming at grand haven beach and you would always tell us to come back you are floating away. We rode the trolley. We went to vbs. 3 children in a small apartment for a week. We had rest hour separate. Your quite time. There was a summer after college that I lived with you and grandpa. You always made me a great lunch for work. That summer I have great memories of biking around grand haven. You are a wonderful great grandma. We would see you with trinity. You always thought of her with gifts. One time when she was around 2 we all went to dutch village together and you took trinity to see the goats. This summer we went up to visit you and you had looked for a puzzle for trinity. There was always something for her to do. Written by grand daughter, Sara Smith
