Luanne, there are no words just when one so very much wants to say something. Patty and I offer our hearts, our prayers and our sympathy, knowing they do not equal your pain.

Thank you for your kind response Luanne. I will always remember their anniversary date (same as my birthday!)...I learned this one year when they came to the Calvin Series - and it was their anniversary and my birthday. I loved talking with them because they were just so real and kind. What an honor for all of you to have them as parents. Hugs, Love and Prayers to all of you

Thank you! I know Mom and Dad thought a lot of you, too. Luanne DeVries
