Scott was a mechanic in my work area for several years at Sun Chemical. He was a good guy and we spent a lot of time "shooting the breeze" . He will be greatly missed. My deepest sympathies to his family. Brad Payne

To Scott's family, you are in our thoughts and prayers. My best memory of Scott is the day he introduced me to the woman who would become my wife of 38 years. I'm not sure I ever told you, but thanks from the bottom of our hearts. Rest peacefully my friend. Don & Debra Dekker

Dear Ken and Joyce: Scott fought so hard to stay well. Jeff and I send our deepest sympathy and love to you. Jeff remembers Scott from Sunday school. I'm sure Joyce, you can remember shopping at the Cradle Shop and dressing our boys in gray flannel short pants, plaid jackets and half socks. They all looked so cute. That was many years ago and we cherish those years we saw our boys grow and become men. Joan and Jeff Leder
