Kyle Scott Foster

MAY 14, 1990 - DEC 5, 2015

Mr. Kyle Scott Foster, age 25, passed away Saturday, December 5, 2015 in Howell, MI after a life-long fight against Muscular Dystrophy. He was born in Muskegon on May 14, 1990 and was a life resident of the area. Kyle was a graduate of Fruitport High School, class of 2009. He loved talking about politics and going to college; and he achieved Dean's List honors twice. Kyle was a child ambassador for Muscular Dystrophy and he didn't let the disease slow him down. He was active in power-chair sports and traveled with Muskegon Waves each year to Michigan State University for a tournament. He loved to travel and enjoyed many trips; some of his favorites included Las Vegas, Florida, Disney World and Universal Studios, Chicago, and a family trip to New York City. He enjoyed all types of music and loved going to karaoke to sing. Kyle also enjoyed movies, especially the drive-ins. His mind was like a sponge, taking in and retaining as much information as he could. Even as his body was failing him, he was still mentally very sharp. Kyle was a well-spoken, kind hearted, loving man who will be remembered for his ability to make friends and love anyone. He is survived by his father, Jeff (Jamie) Foster; his mother, Tammy (Jamie Schultz) Foster; siblings, Zachary and Emily Foster; grandma, Karen Davis; aunts and uncles, Chuck and Kim Davis, Sherry Davis, Teresa Calkins, Craig Davis, Glenn and Marlette Foster, Kerri and Greg Pavlich, Brian Foster, Pam and Bob Fodrocy, Diane and Colin Cook and Patty Lowe; and many loving cousins. He was preceded in death by grandparents, Chuck Davis, Roy and Caroline Foster; and his uncle, Daniel Foster. You may join his family for a CELEBRATION OF HIS LIFE from 5-8 PM Monday, December 14, 2015 at The Lee Chapel, 6291 S. Harvey St., 231-798-1100. MEMORIALS may be made to his family to help with funeral expenses or to Muskegon Waves.

I haven't seen Kyle since he was 8 or 9 years old but I worked with him in physical therapy while he attended Beach. I enjoyed his energetic spirit and sought ways to help him stay as strong as he could. He liked that I got him into places at school that none of the other kids could go....it was called 'stairs' which were not at the school except in the maintenance area. We practiced there regularly and he was diligent about giving his best. I have wondered about him often over the years as I retired in 2000. Seeing his picture posted here, I see the same Kyle, those same gentle eyes and the same set to his mouth. He certainly didn't change a lot in how he looked when he grew up. I am so sorry for your loss, he was a delightful young boy who never left my heart. I am sad for all of you, for the hole in your lives he has left. I am happy for him for the 'wholeness' he now has. I am happy to have known him and happier still to read the wonderful thoughts others have shared about him as an adult. May God be with all of you and bring you comfort during this time.

I have never seen someone so upbeat and defiant of this physical misfortune. He always had a smile on his face, was always friendly and easy to befriend. We were never close, but I have a lot of respect for the man/classmate. Rest in Peace buddy.
