**Don Patterson** lit a candle in honor of Ernest .

I have many great memories from when I was younger of the road trips to Tennessee with Uncle Tip ..He always made it a point to visit me whenever I was ill. Many times I've awoken from sleeping and see him standing in a corner of the hospital just waiting for me to wake up to say " hi" and make sure I was O.K....

Uncle Tip could get the most mischievous smile on his face like he had a secret that only he knew . The world is short one more kind, caring and loving person... Rest in peace Uncle Tip.....
