Don, Arlene and Family, Our prayers and love are with you at this time. We are vacationing in Texas with our daughter, Mary Beth Berry. Heard of Bethany's passing from Joe Dault when speaking with him today. Know that we are praying daily for all of you. Much love, Harold & Peg##imported-begin##Harold and Peg Shields##imported-end##

Remember that your loss is shared by many friends who care and that you're in our thoughts and hearts and in our every prayer. May you find the courage to face tomorrow in the love that surrounds you today. May the love of friends and family be a source of comfort to you at this time. At this time of sorrow, may these truths sustain you... your loved one will always be as close as a memory and the God of all comfort is always as close as a prayer. It will be the little things that you will remember: the quiet moments, the smiles, the laughter. And although it may seem hard right now, it will be the memory of these little things that help to push away the pain and bring the smiles back again. My deepest sympathy goes out to all of you.##imported-begin##Amy Morgan (Miles)##imported-end##
