I don't know if anyone in the family will read this, but I wanted to say how sorry I am for your loss. I remember Grandma Greene as someone who took the time to make me Sprite with lemonade ice cubes almost every day the summer I took driver's training. I would stop there on my bike on my way home from the school and she was always there, always happy to see me. She was a sweet lady.##imported-begin##Barb Masar##imported-end##
