I have MANY fond memories of Willard, (especially our bowling trips with Duane in Scottville), and the rest of the family on their weekend visits. His loss is another in a LONG string of changes in the old neighborhood. I'll bet Clive Dykes was there to greet him on the other side. He will be missed. My condolences to the family & tell Larry I haven't heard a good scary story in nearly 40 years. Ron##imported-begin##Ron Pehrson##imported-end##

Mr. Weinert provided me with a great many memories and adventures in our weekend stays at the farm. A car full of teenage girls, Skip in the trunk, Mr. Funderbird in the front seat and off we went to Custer. We sang and giggled for an hour there and back & he never told us to zip it. Perhaps it was because he made us ride with burlap bags full of chickens that stunk to high heaven and then we plucked them for hours - of course it was worth it just to be able to go again. Mr. Weinert was a good man and I will forever cherish the memories he provided me. My deepest sympathies to the whole family during this time of sadness and loss.##imported-begin##Dianne (Backstrom) Ferris##imported-end##
