I am one of Dee's many cousins. I think I speak for all of us when I say Dee was the type of person we all aspire to be. Her vibrant and exuberant personality radiated happiness everywhere she went. We will miss her sparkling eyes and contagious smile. We will miss her. I find peace in knowing her spirit will live on and embrace us in the lives of the two children she was forced to leave behind. We love her dearly and will hold her in our hearts forever. Although we would rather have her with us always, we must now find comfort in knowing that Dee has stepped out of her darkness and into the light... REST PEACEFULLY SWEET DEE DEE. Our sympathies to the whole family. We are friends of "Little" Leora for many years. We remember watching your children grow up through school and baseball leagues. We remember how well liked D'Anne was in school. Our son, Mike Jr. graduated with her. We belong to St. Mark Lutheran Church and have been praying for D'Anne and her family for the past years. God bless her husband and children and extended family. Mike and Diane Wittkopp##imported-begin##Mike and Diane Wittkopp##imported-end##

Todd, Ryan & Lindsey ~ Your wife & mother was the most courageous person I have ever met. I can remember clear as day when she was first diagnosed with this disease. She fought from the very beginning and was determined not to let this disease get the best of her. She was always a bright spot, even on her darkest days. May God grant you all the strength to get through the tough times and know that you have friends and family who care deeply and mourn with you. Our deepest sympathies and prayers are with you, we will all miss her greatly!! Love, Rachel, Mike, Jacob & Zachary Huston##imported-begin##Rachel Huston##imported-end##

Dear Family & friends of D'Anne,I am sorry to hear of your loss. I first met D'Anne in junior high school where we became friends and graduated together in 1985. We lost touch after graduation but then our worlds crossed again in September 2004 where we both attended the women's Bible Study Fellowship at Lake Harbor church in Muskegon. Being a mother of two and the same age as D'Anne, it was very difficult for me to see her ill. But there was a subtle confidence & peacefulness you could sense in the way she moved. So, every Wednesday morning when our BSF met,I looked for her. Sometimes she would be there and other times not. Again last week my eyes searched around for her but she was not there. Someday I know our paths will cross again and I will find her craddled in God's arms-safe and assured. You will be missed, D'Anne.##imported-begin##Karen Rothenberger (Herm)##imported-end##

I have had the privilege of knowing Dee since she was doing aerobics in her mom's womb. She definitely held true to form...she was on a mission!Dee was the first of my nieces and nephews...she couldn't say "Chris", instead she said "Ree"..so I came to be known as "Auntie Reenie."Dee was truly a lover of life. I am so sorry for your loss. I am a friend of Brian's and though I never met D'Anne, my family and I had been praying for her ever since we heard the news. My mom is also battling breast cancer. It seems so senseless for one so young and with young children to be taken. However, someday we will see D'Anne again and she can tell us of the Lord's eternal plan behind all of this. Meanwhile, may you find peace.##imported-begin##Tom Callahan##imported-end##
