I remember George as always having a smile on his face. He worked for my Dad, Ken Owen at Eklund Ford.

Barb, Marcia, Mike, Pat I was saddened to here that George has passed. I look back and remember the good times that we had hunting at the old cabin near Baldwin. Every time that I take a deer I think of George and my Dad. They both taught me to hunt hard and put your time in and you'll be successful. That's a lesson that is true in all of life. Over the years I've done well deer hunting, Because I had good teachers like George when I was younger. Thank you.

I hope you remember me.....I didn't think it would be right for me to come there to give my respects, so I'm writing them. I just want you to know that aside from everything, you & George were a huge part of my life at one time and for that I am so grateful.From the Saturday morning tee-time to the acey-ducey tournaments we held at the table- I'll never forget!My Deepest Sympathy- Christie###imported-begin##Christie Schaub (Sherman)###imported-end##
