Though I did'nt know Mr. David, I work with Darryl Jr. and went to college with Debra. If they are a reflection of their father then we were truely blessed to have had a man of such integrity, honesty and moral standards to walk among us. May your loss be softened by the knowledge that his life touched even those that did'nt know him in person as much as those who have the privilege of knowing his legacy through his children.###imported-begin###Jackie Terrell###imported-end##
