I knew Brian as a counselee at Mona Shores. He was always personable and special as a student, but I knew how special when he came back as a grown man and visited with me and shared some personal issues he was dealing with. I admired him for his courage and positive attitude. I'm so sorry for your loss and wanted to say this to the family as I could not make it to the funeral.##imported-begin##Elaine Mroz##imported-end##

Brian, You will be sadly missed. I enjoyed seeing you at the 20th class reunion and catching up a bit. It made me think, there are people in our lives that touch us and we think are so special and it is sad when we lose touch with them for one reason or another...you were differently one of those people I wished I would of never lost contact with..you are so special. I will always remember and cherish our friendship and the times we spent together in high school. You touched my life and I thank God for allowing me the opportunity to know you. May you be at peace. Our sincere condolences are with you in this time of loss. You and your family are in our prayers. Who shall separate us from the love of Christ? Shall trouble or hardship or persecution or famine or nakedness or danger or sword? For I am convinced that neither death nor life, neither angels nor demons, neither the present nor the future, nor any powers, neither height nor depth, nor anything else in all creation, will be able to separate us from the love of God that is in Christ Jesus our Lord (Romans 8:35,38,39). Dear Mazurek family, My whole family have you in our thoughts and prayers and you have our deepest sympathy for your loss! Although we haven't seen Brian for many years, we sure had a ton of memories in our earlier years. Some of the best times we had, was climbing in the apple tree in your backyard and just hanging out all day long with all of the neighborhood kids. May God wrap his arms around you all during this time of pain and grief. Our love to you, The Whole Huston Family##imported-begin##Vikki (Huston) Rawson##imported-end##

Dear Margaret & Jerry, Marrienne & Alan -My heart aches for each of you on Brian's passing. Your entire family and friendship has meant so much to me through the years, and I truly love you all! I suppose it was not a secret though that Brian held a special place in my heart - from the moment I met him. He must have been only three, and had that twinkle in his eyes, and determined spirit that would take him so very far in his life! I was / am so proud of his many accomplishments in a big sisterly way - for that is how I felt and still do for Alan and Marrienne.I am so thankful for "our summer at the beach", when my children were able to meet and come to know Brian. I was also able to express to him my feelings about him - so although is was quite a few years ago, I know that he knew he was loved for the very special, unique person he was!I know that he has found peace and pray that you will as well. May your memories of Brian and faith in God and His wisdom sustain you though your days and give you peace at night.Love,Tracy Greer##imported-begin##Tracy##imported-end##

My sympathy goes out to Brian's family. We had alot of fun together while he watched my sister and I as children. We used to do many things together, like going to the beach, swimming in the pool, or just playing games down in the basement. He was a great role model, and an important figure in my childhood, and I will always keep him in my prayers. God bless you Brian, and thank you for the time that you shared with us.##imported-begin##Todd Basch##imported-end##
