Paula I will never forget those times we chatted online and had so many laughs. I just received this news tonight from an email from one of your employees. I am deeply hurt and stunned by this. I am feeling a void and I dont know how I can fill it. To me you were like a sister I never had. Even though we never met, I felt a kindred bond with you. Though you are on the other side, my thoughts are with you and will be forever.###imported-begin##Gary Weeks###imported-end##

Death is nothing at all. It does not count. I have only slipped away into the next room. Everything remains as it was. The old life that we lived so fondly together is untouched, unchanged. Whatever we were to each other, that we are still. Call me by the old familiar name. Speak of me in the easy way which you always used. Put no sorrow in your tone. Laugh as we always laughed at the little jokes that we enjoyed together. Play, smile, think of me, pray for me. Let my name be ever the household word that it always was. Let it be spoken without effort. Life means all that it ever meant. It is the same as it ever was. There is unbroken continuity. Why should I be out of mind because I am out of sight? I am but waiting for you, for an interval, somewhere very near, just around the corner. All is well. Nothing is hurt; nothing is lost. One brief moment and all will be as it was before. How we shall laugh at the trouble of parting, when we meet again. You will be greatly missed my thoughts and prayers for you and your family. Paula, I love ya girl. You were a great friend. You made us smile. I have read that when someone you love passes, they become a memory, and the memory becomes a treasure. I will treasure our freindship forever. Thanks for always being there for me. Bob, Nick and Loren, my thoughts and prayers are with you.##imported-begin##Tammy Brammer##imported-end##
