you were my step-mother for 40 yrs. it was a ruff start but we all learned to love you and share good times and bad times together. The most vivid memories I have are the ones over on Delaware street when you made pizza for us on saturday nights and to keep it warm you put it on the heater in the dinnig room. I also remember going to river to fish for suckers and taking a picnic with and eating on a blanket. Noel and I really enjoyed the times we spent with you and dad playing cards and listening to you get oh so made at dad. I guess what we will miss the most are those games of cards. We will miss you and remeber you always in our prayers and all of the good times we had as a familylove youpat and noel and of "SASSY TOO"###imported-begin##patti and noel cady##imported-end##

I have just heard the sad news of Bonnie's death. I send my deepest sympathy.I am Jack's first cousin. Bonnie was so kind to write me a note at the time of Jack's death. Although I never got to meet Bonnie, everybody who met her on her trips to Texas fell in love with her and spoke of how sweet and kind she was.I hope that you can find some confort in your many special memories and in the thought of the happy years you shared.Mamie FoersterCarrollton, Texas##imported-begin##Mamie Foerster##imported-end##

Thank you so much, Bonnie for sending all those pictures to Aunt Ellen. I an in the process of coping them onto my computer at home so I can share them with the rest of the family - which I think you would approve of. You will be greatly missed, but know you are in a better place, which I hope to see you. Our prayers are with you and your family. God Bless, your family from Houston.##imported-begin##Dora Reid and Clara Proske##imported-end##
