Dear Hoffman Family, We had the pleasure of knowing your mother & father. We always looked forward to their visits to our office. They were a delightful couple and always enjoyed hearing the stories of what they had been up to. We always enjoyed Lucille's cookies they were the best. We certainly will miss them in our practice. God Bless with our deepest sympathy. Kim & Sharon###imported-begin###Kim & Sharon From Dr. Ivey's Office###imported-end##

Glen, Evva, and family, We are so sorry for your loss. We know that you are at peace that she is with the love of her life, but it still hurts. We always enjoyed times at your house (Fourth of July) when your parents were there. They were terrific people and you have many, many good memories. We love you. Dear Hoffman family, It has been my great privilege over the last few years to know your mom and dad through the Orchard View Adult High School program. As we worked toward their high school graduation through the years, I discovered a couple who were a team. Your mom seemed to be the instigator, thinking up new ways to surprise people in generous and caring ways. She was always so kind, so ready to make special cookies or cakes, so willing to share a good joke, so energetic in getting things to turn out just right. Perhaps the guiding principle of her life affected those her knew her including myself, the most: "God is still in charge." Her faithful, loving witness will inspire me all the days of my life. Please accept my deepest sympathy. Linda Ferguson (OV Adult Ed Teacher)###imported-begin###Linda Ferguson###imported-end##
