I am so sorry for your family's loss. Your mother was a wonderful warm hearted woman. I am sorry that she did not get the chance to come visit my new home. She will always be remembered. Theresa was the first "resident" that I ever became attached to, and it was an honor to get to know her. She was very much loved and will be very much missed. Your family is just wonderful, my prayers are with you in this time of mourning. I love you all and I'm glad I had the privilege of getting to know you all. ~ Melissa Linstrom CNA University Park##imported-begin##Melissa Linstrom##imported-end##

Dear Friends/former neighbors! She is now in a better place and atpeace. Many times Theresa offered com-fort to those who grieved & her wordswere wise & true. I was fortunate to beamong those who received her words of comfort. You know what good friends &neighbors we were....it was a friend-ship that could be easily renewed evenafter years of absence. "Back when",she was to me the epitome of motherhood& I so wished that I could achieve herexcellence. We had such good times,sharing & learning from each other - being supportive of each other when the need arose. I will never, ever, forgetthe benefits and joy that I received inbeing her neighbor!May you all, her "children", be ableto create in part, a portion of the joys she passed on to others.God bless you all.In loving friendship, Noel##imported-begin##Noel A. Sorry to hear about the passing of your mother. She was a wonderful lady and always had the welfare of others before herself. I don't know if I have ever met a person as giving of herself as she was and for that she was a saint. I'll never forget the visits she had with Jeff and I in Kalamazoo and the many hours she watched over us as we refinished furniture in the driveway. My prayers are with you Jeff and Mary Anne as well as the rest of the family. God Bless. Brad Taylor##imported-begin##Bradley Taylor##imported-end##
