R-P-N-Am going to miss your Dad sitting in the window. I always felt safer knowing he was always watching my house, and me coming & going. He called us this Summer to tell us our security light was not going on, which we replaced immediately. He was always a good neighbor. Joanne & Ron

Dear Regina, Nancy, and Paula, I'm sorry to hear about your father. He was always good to me, even though he had no good reason other than you let me in. It's been almost thirty years, but I have nothing but good memories about the visits to your home. I wish you every comfort and would be glad to hear from you. Love, Glenn

Dear Regina, Paul and Nancy, Mom called to tell me she read about Father's death in the paper. I guess time stopped for me the last time I saw him - I can't believe he was 85. I have so many fond memories of you and your parents - how you and they always welcomed me as part of the family. My thoughts and prayers are with you all. Mary
