Growing up on Edgewater St. was such a wonderful experience! We had beautiful Muskegon Lake, Pigeon Hill, and most important, true friends! Nevada was one of those very special Friends. She loved life and it was very evident in the way she lived it and how she treated everyone she interacted with. As a child I always felt welcome at her home. She and my Mom, Muriel, were a riot to be around. There was so much fun and laughter! I am so thankful that we were able to get together last fall when I came back from Seattle to visit. Lynn, you cared for your mom with love, humor, and grace. Nevada will be missed! Sincerely, Karen [Wiersma} Waalkes##imported-begin##Karen {Wiersma} Waalkes##imported-end##

Lynn, one of the biggest highlights of my visits home was seeing your Mom. I loved to hear her and mom talk about all the people and history they knew. I have the lighthouse you gave me on my windowsill and it always reminds me of home and you and your mom. God bless you, Love Cherie (Cheryl Wiersma)##imported-begin##Cherie Colgan##imported-end##
