Such a sweet, beautiful lady! We will always remember Louise and Gil supporting us at football games. Louise had an amazing smile. One that will never be forgotten! We will never forget her taking her mother swimming in our pool. She was an amazing care giver! She seemed to love life and the special family and friends she was blessed to have in it. Our families came together when Rob and Jill got married. We were the lucky ones to gain Rob as a nephew, (And Newton's as a family). Fly with the Angels, Louise, and let your sweet soul light up heaven!

Wow, what a shock....My heart goes out to Gilbert and the entire family for the loss. You know what they say, behind every good man there is a good woman... Certainly true, these two made the perfect couple.You can tell by the family structure, the love, and the honor that Louise poured her heart and soul into her family.What an accomplishment her work on earth has been.
