Ron and Cheri, Alissa and Julia, I am so sorry for your loss. I know the girls cared about their uncle, and I know first hand how difficult it is to lose a brother. May the warm breeze of fond memories help to blow away the clouds of sadness and bring healing. Fondly, Julie Mockerman

Dear Mr. and Mrs. Knop, I was saddened to hear of your loss. My fondest memories of my youth was the countless time spent around the Bluffton area with our neighbors and friends. Kevin and Craig were always a moment away and were eager to have a good time. Nobody could throw a snowball harder than Kevin, trust me. We played more games of flashlight tag in the dunes than I care to count. A lot of rides on the Mako. They were both a part of a care free youth that we all enjoyed and I will miss them both. You all are in our prayers.

Roger and Jeanne, I am so sorry to hear about the loss of your son. You know that my heart aches for you and my thoughts and prayers are with you and your family. I don't have your e-mail or address with me because I am over at my sister's helping her out. She had surgery on her hand today and because of that can't use her crutches and needs me to be here. I will only be here shortly. Will see you when we get back to Musk. Love to all,

I am terribly saddened to learn of Kevin's death. Although it has been years since we spent our time diving in the waters around Muskegon, those memories remain fresh and among my most cherished. I will remember as a good friend and I will miss him.##imported-begin##Roger Manor##imported-end##
