To Louann's family, Your mother was a wonderful lady. I met her in Select Hospital. My elderly mom shared a room with Louann as she was waiting for her leg to heal for plastic surgery. Your mom was wonderful to our mom and helped her order meals, etc. She also kept us informed about mom's condition and progress with her broken leg. Finally, she was delightful company for my mom, and we also enjoyed visiting with her. She was such fun and always in a positive mood. I am sure you have wonderful memories of your mom and grandma. She was a special person.##imported-begin##Norma Koopman##imported-end##

Kevin, Mark, Diane, Julie and families, my deepest sympathies go out to all of you. I know what it's like to lose someone as special as Louann was. I will forever be grateful for all she did for me and the kids when times were tough. She always made us feel like family, and was like a second mother to me. It was so good to see her at mom's funeral and have a chance to talk and laugh with her as she shared her memories of mom with me, and I am certain they are together again talking and laughing up a storm as only they could. Your mom was a very giving, loving soul. She will be greatly missed. May God bless each of you as you face the days ahead, and may He give you strength to deal with your loss.##imported-begin##Gloria Johnson##imported-end##

Diane, Mark, Kevin, Julie, & Families. My deepest sympathy and prayers are with you at this time. I truly believe that LuAnn made a difference wherever she went, anybody that ever knew her could never forget her. I feel blessed that I knew her for as long as I did. Just think of all the good times her and Carol will be having now sitting at that counter in heaven drinking coffee, and talking about old times. She will be missed by all. To the entire family: So sorry to learn of Louann's passing. She was such a sweet, kind lady. We had so much fun way back in 1954 when I started working for Ed. I remember when Diane was born and Louann brought her into the office to show her off after that Christmas!! LOVED working for Ed and he was a wonderful dentist. My thoughts and prayers are with all of you.Sincerely,Jo (& Jerry)##imported-begin##Jo Privasky##imported-end##
