I have known Della all my life. She was our neighbor and friend. I used to go camping with her before she even met Marv. I would watch Marvin jr, and Veronica when they would go deer hunting for a week. What fun we would have, many memories. Della was a very special friend, she was a great friend of my mothers Barb MInk. Della would call my mom at least 4 times a day on the phone.. She is a Angel in Heaven and watching over us with My Dad John Mink. From My family Our Deepest Sympathys to the Schaub family,,, Della will be missed dearly.. She will always be in our memories and our hearts.

Mom we will miss you so much you were the best mother in the world. I know your not in any more pain but that doesn't make it easy for us you left behind. We always didn't see eye to eye on everything but in the end of it all you were always right. I don't know when it gets any easier missing you but I hope that it gets a little better. We will have better days then others but we will meet again soon. I LOVE YOU MOM R.I.P
